The Seashell is incredibly proud to serve only the finest fish in London. All of our fish is 100% sustainably and ethically sourced before reaching our customers.

All food and drink items are subject to availability

At the Seashell we use fresh fish delivered daily on site. Although we take the most care to remove bones, some may still remain.

All refunds are subject to approval by a supervisor. If customers would like to complain about the service or product they need to do so by sending an email to [manager@seashellrestaurant.co.uk](mailto:manager@seashellrestaurant.co.uk). Managers will respond to the complaints within a week.
